JUNE 2020

THE PROJECT

Thesis Antithesis Synthesis

The TAS – Migration Labs aims to support the fundamental principles of EU citizenship and to promote an improvement in civic and democratic participation at EU level, reaffirming values of solidarity, intercultural dialogue, mutual understanding and combatting existing stereotypes on migration and minorities. Our activities are mostly directed at young adults, political decision makers and other stakeholders from partner countries. The tasks envisage to raise awareness of EU policy-making processes, in particular migration, and to boost opportunities for social and intercultural participation and volunteering.

THESIS LAB I

ACTA Center, Romania 4 June 2020

ACTA organised its first online lab on migration which was intended to bring together young people and students in Romania. They discussed the new perspectives on migration, its contributions to the development of multiculturalism, the advantages and possible disadvantages associated with the migration process over time. It was followed by an interactive workshop that focuses on personal and group attitudes towards today's migrants, expectations and responsibilities about migration.

WEBINAR SERIES

Webinar I: Migration Past and Present: Comparative Experiences and Historical Lessons

TAS Migration Labs partnership organised its first webinar on the 9th of June 2020. This webinar was an opportunity to look at the past and current experiences of Serbia as a host and transit country for refugees and migrants. It also enabled participants to compare Serbian with Swedish experiences as one of the desired destination countries for refugees and migrants. In addition, we had a closer look at the case of the Jewish Refugees from Nazis, its outcomes and historical lessons.
